

Beep Beep Crew

The car goes beep beep beep
The **train** goes choo choo choo
The **truck** goes honk honk honk
Join the **vehicle** crew!

On the road, they zoom around
Making such a lively sound
The **bus** goes vroom vroom vroom
Our busy little crew!

In the sky, the **planes** go whoosh
On the tracks, the **trains** don't push
The bike goes ring ring ring
So much fun when we sing!
