

Brush, Brush, Brush

Brush, brush, up and down,
Keep those **teeth** so bright, no frown!
Round and round, side to side,
Healthy **teeth** make you **smile** wide!

Brush, brush, brush, it's fun to do,
Clean your **teeth**, just me and you!
Brush, brush, brush, every day,
Keep those **germs** far away!

Squeeze the **paste**, not too much,
Scrub your **teeth** with a gentle touch!
Don't forget, top and back,
Brushing keeps your **smile** on track!

Brush at night, **brush** at dawn,
Brush those pearly whites till they shine on!
Rinse your mouth, swish and spit,
Healthy **teeth**, you did it!
