

February Love

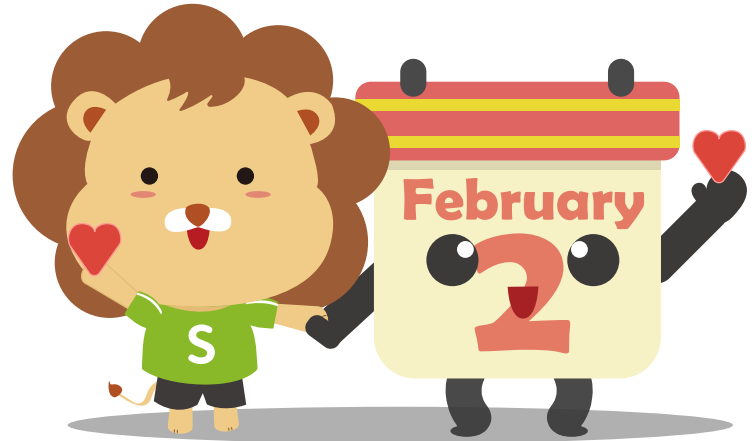

February's here, hooray,
Hearts and hugs for **Valentine's Day!**
Love and **friendship** everywhere,
Smiles and **kindness** we all share!

Cut out hearts, pink and red,
Write sweet words to be read.
Give a card, make someone glad,
Sharing **love** makes hearts less sad!

Chocolate treats, hugs so tight,
Happy faces feel so bright.
Friends and family all around,
February fun is found!
